Width:

3.750 inches

Overall Length:

Between 11.000 inches and 14.000 inches

Size Designation:

Small

Design Designation:

Cervical

Material And Location:

Plastic

Usage Location:

Cervical

Product Name:

Support cervical design small 11-14x3.75" circ/height adj plas

Special Features:

Constructed of pliable translucent plastic; leather cushioned at pressure points; stainless steel hardware; circumference/height are adjustable; snap closures; washable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-j
