Size Designation:

Small child

Design Designation:

Leffingwell

Product Name:

Stethoscope leffingwell design small child 6mm lg plastic 18fr

Special Features:

Luer connector provided at proximal end which allows stethoscope to be attached to ear; will not kink; 18 fr

Length:

6.0 millimeters

Material:

Plastic, polyurethane foam

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-f
