Overall Length:

6.000 inches

Handle Type:

Solid and straight

Blade Type:

Serrated

Design Designation:

Hough

Shank Type:

Straight

Design Form:

One-piece

Product Name:

Curette ear hough dsgn one-piece 6"lg serr cup shaped blade crs

Surface Treatment And Location:

Passivate

Blade Shape:

Cup

Special Features:

Changes pending

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A520p0
