Design Designation:

Aortic and vena cava and ventricular

Shaft Eye Quantity:

8

Tip Type:

Pigtail

Connector Type:

Luer lock hub

Material And Location:

Plastic, polyethylene catheter and steel, corrosion resisting thumb rest

Product Name:

Catheter cardio aortic/vena cava/ventricular 90cm lg 6 fr sterile

Special Features:

90 cm lg; 6 french; 0.047 in. Lumen dia; 0.07 in. Od; accomodates 0.038 in. Wire guide; meets fda requirements for toxicity; passivated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
