Overall Length:

7.000 inches

Design Designation:

Lathbury

Tip Type:

Serrated

Grip Type:

Knurled

Product Name:

Applicator nasal lathbury 7"lg str shape serr tip passivated crs

Exterior Container Quantity:

1

Special Features:

Used for nasal surigal procedures; passivated

Material And Location:

Stainless steel

Shape:

Straight

Unit Of Issue Cube:

0.003 cubic feet

Unit Of Issue Weight:

0.05 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511g0
