Overall Length:

9.750 inches

Design Designation:

Leksell

Material And Location:

Steel, corrosion resisting

Size Designator:

5.0 mm

Design Form:

Curved

Product Name:

Leksell rongeur 5 mm double action

Special Features:

Surgical; laminectomy; narrow jaw; double acting; passivated; good hand grip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
