Blade Width:

1.000 inches

Material And Location:

Steel, corrosion resisting

Blade Edge Type:

Curved and single bevel

Product Name:

1 in key elevator

Special Features:

Key style; 15/16 in. (2.5 cm) lg blade; 8 in. (20.3 cm) lg o/a; slightly sharp cutting edge; single end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
