Size Designator:

2mm

Material And Location:

Plastic, polypropylene

Design Type:

Aural

Mounting Type For Which Designed:

Expansion ring

Product Name:

Speculum otoscope aural expansion ring plas 2mm reusable

Special Features:

For use w/fiber optic pneumatic otoscopes 20000, 25020, 22800, 22820, 24031; flanged to provide seal w/ear canal for pneumatic otoscop;
autoclavable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-m
