Overall Length:

6.000 inches

Connector Type:

Force-fit

Product Name:

Tube inhaler plastic 6" I force fit conn blue flex nonster disp

Special Features:

Nonsterile; individual package; disposable; translucent; blue; corrugated; flexible

Material:

Plastic, polyethylene and plastic, ethylene-vinyl acetate

Material:

Plastic polyethylene and plastic, ethylene-vinyl acetate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T117-a
