Design Designation:

Acufex

Material And Location:

Steel, corrosion resisting

Headdiameter:

1.65 millimeters

Product Name:

Bur bone acufex polishing 1.65mm head diameter side cutting 55mm long

Special Features:

Side cutting; tungsten carbide; 5 mm cutting length; 55 mm length; j-notched proximal shaft; sterilizable; compatible with bur guard, nsn 6515-01-167-2620; bur rack, nsn 6515-01-167-2624; power console, nsn 6515-01-166-3508; footswitch, nsn6515-01-165-6715; and with motor cable, nsn 6515-01-167-6643; for use with electrically powered handpieces, nsn 6515-01-171-5234 and nsn 6515-01-01-171-5236, used in oral and small bone surgical procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-e
