Design Designation:

Intravenous

Shaft Eye Quantity:

3

Tip Type:

Fine taper

Patient Size Designation:

Adult

Diameter:

7.000 french

Material And Location:

Plastic, polyurethane catheter

Product Name:

Catheter cardio iv design d9 iv inj 7fr adult fine taper tip 5s

Special Features:

Multi-infusion central venous catheter w/two lumens 18 ga fr od and one lumen 16 ga fr od; three luer lock injection caps; radiopaque, 12 inch length; unit q type 5

Style Designator:

Intravenous injection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
