**Width:**

24.000 inches

**Thickness:**

0.125 inches

**Length:**

18.000 inches

**Design Designation:**

Polyform

**Material And Location:**

Plastic, polycaprolactone

**Product Name:**

Sheet splint orthopedic polyform dsgn 18 x 24 x 0.125" plastic 4s

**Special Features:**

Reduces splintmaking time; used on body to provide support highly workable material at molding temp w / excellent strength

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T133-c
