Unit Package Quantity:

10

Design Designation:

Thoracic

Shaft Eye Quantity:

4

Connector Type:

Beveled integral connector

Material And Location:

Plastic, polyvinyl chloride

Product Name:

Chest tube thoracic 16 fr straight style 4 eyes 20 in lg plastic

Special Features:

16 french; straight style; 20 inch lg; individually sealed; non porous

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
