**Design Designation:**

Oral

**Shaft Eye Quantity:**

2

**Tip Type:**

Beveled

**Patient Size Designation:**

Child

**Diameter:**

25.000 french

**Material And Location:**

Plastic

**Product Name:**

Tube tracheal oral e13 25 fr child sterile plastic indiv pkgd 10s

**Special Features:**

May be straightened for tracheal suctioning; w/15mm connector on each tube; marked w/i.D. For ages 5-1/2-7-1/2 yrs.; individually packed; unit q type 10

**Style Designator:**

Tracheal w/0 cuff

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A22100
