**Design Designation:**

Oral

**Shaft Eye Quantity:**

2

**Tip Type:**

Beveled

**Patient Size Designation:**

Child

**Diameter:**

23.000 french

**Material And Location:**

Plastic

**Product Name:**

Tube tracheal oral e11 w/o cuff child 3-5 yrs plas ster disp 10s

**Special Features:**

May be straightened for tracheal suctioning; w/15mm connector on each tube; marked w/i.D. For ages 4-5 yrs.; individually packed; unit q type 10

**Style Designator:**

Tracheal w/0 cuff

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A22100
