Design Designation:

Cervical

Material And Location:

Polyurethane foam

Usage Location:

Cervical

Features Provided:

Adjustable

Product Name:

Support cervical medium-long 3 1/2" wide 19-23" long adj washabl

Special Features:

Medium-long; 3-1/2 in. Width; 19-23 inches long; medium density; w/contour design; covered w/fine grade stockinette; velcro closure; washable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-j
