Inside Diameter:

1.1 millimeters

Overall Length:

12.0 millimeters

Unit Package Quantity:

5

Design Designation:

Otology

Material And Location:

Silicone

Product Name:

Tube ear ventilation otology 12mm lg 9.5mm t-flange diameter soft 5s

Special Features:

Soft, trimmable; t-flange dia. 9.5 mm; designed for short-term ventilation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
