Overall Length:

7.500 inches

Blade Shape:

Light curved

Blade Angle In Deg:

25.0

Design Designation:

Potts smith

Product Name:

Scissors vascular potts-smith 7.5" 25 degrees angle blades curved

Surface Treatment And Location:

Passivate

Special Features:

Blade width: 1/4 inch; blade length: 7/8 inch; blade slightly curved

Material And Location:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513m0
