**Design Designation:**

Blood collecting

**Tip Type:**

Luer slip

**Scale Type:**

Any acceptable

**Plunger Material:**

Plastic

**Barrel Material:**

Plastic

**Scale Smallest Increment:**

0.500 cubic centimeters

**Capacity:**

3.000 cubic centimeters

**Barrel Tip Design:**

Concentric

**Special Features:**

Sterile, disposable, individual package, prefilled with heparin and liquid sodium

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T133-b
