Overall Length:

5.000 inches

Usage Design:

For small blood vessel used in microsurgical operations, thoracic/cardiovascular

Design Designation:

Jacobson

Grip Type:

Finger ring

Joint Type:

Box lock

Jaw Type:

Straight

Product Name:

Forceps hemo jacobson straight finger ring grip 5" box lock tp

Special Features:

Glurge-reducing finish; mosquito type; very delicate/light

Material And Location:

Steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
