Overall Length:

8.000 inches

Blade Shape:

40 degrees angle

Design Designation:

Cloward-harper

Material And Location:

Steel, stainless

Size Designator:

Bite 5mm.

Design Form:

Angle

Special Features:

Shaft length; use for laminectomy surgical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
