**Overall Length:**

3.500 inches

**Design Designation:**

Cone

**Tip Type:**

Luer lock

**Material And Location:**

Steel, corrosion resisting

**Eye Quantity:**

2

**Distal End Shape:**

Straight

**Product Name:**

Cannula brain cone dsgn 3.50" lg str end luer lock tip 18ga crs

**Special Features:**

18g; used for needle, ventricular procedures

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T133-c
