Overall Length:

3.500 inches

Design Designation:

Cone

Tip Type:

Luer lock

Material And Location:

Steel, corrosion resisting

Eye Quantity:

2

Distal End Shape:

Straight

Product Name:

Cannula brain cone dsgn 3.50" lg str end luer lock tip 18ga crs

Special Features:

18g; used for needle, ventricular procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-c
