Tracheal Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-246-0110

Design Designation:
Murphy and nasal and oral
Inflation Device:
One way valve
Tip Type:
Balloon
Diameter:
3.5 millimeters
Material And Location:
Plastic, polyvinyl chloride tube
Product Name:
Tube tracheal murphy nasal and oral e11 w/o cuff 10s
Special Features:
Clear; with 15mm connector; for intubation system; unit q type 10
Style Designator:
Tracheal w/0 cuff
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A22100
