| Design Designation:   |
|---|
| Murphy and nasal and oral   |
| Inflation Device:   |
| One way valve   |
| Tip Type:   |
| Balloon   |
| Diameter:   |
| 3.5 millimeters   |
| Material And Location:  |
| Plastic, polyvinyl chloride tube                                  |
| Product Name:   |
| Tube tracheal murphy nasal and oral e11 w/o cuff 10s              |
| Special Features:   |
| Clear; with 15mm connector; for intubation system; unit q type 10 |
| Style Designator:   |
| Tracheal w/0 cuff   |
| Shelf Life:   |
| N/a   |
| Unit Of Measure:  |
|   |
| Demilitarization:   |
| No  |
| Fiig:   |
| A22100  |
|   |
