Design Designation:

Murphy and nasal and oral

Inflation Device:

One way valve

Tip Type:

Balloon

Diameter:

3.5 millimeters

Material And Location:

Plastic, polyvinyl chloride tube

Product Name:

Tube tracheal murphy nasal and oral e11 w/o cuff 10s

Special Features:

Clear; with 15mm connector; for intubation system; unit q type 10

Style Designator:

Tracheal w/0 cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
