**Design Designation:**

Murphy and nasal and oral

**Inflation Device:**

One way valve

**Tip Type:**

Balloon

**Diameter:**

3.5 millimeters

**Material And Location:**

Plastic, polyvinyl chloride tube

**Product Name:**

Tube tracheal murphy nasal and oral e11 w/o cuff 10s

**Special Features:**

Clear; with 15mm connector; for intubation system; unit q type 10

**Style Designator:**

Tracheal w/0 cuff

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A22100
