Design Designation:

Abramson-triple lumen sump drain

Tip Type:

Open end

Diameter:

0.375 inches

Material And Location:

Silicone rubber

Product Name:

Tube drainage surg abramson triple lumen sump drain 15" 5s

Special Features:

15 in. Length; 0.3 micron antibacterial filter; suture cuff fasten the drain; opaque stripe; large suction lumen; designed to minimize tissue trauma/discourage clogging; individually packaged; unit q type 5

Style Designator:

Drainage tubing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
