Design Designation:

General purpose

Tip Type:

Luer lock

Scale Type:

Single

Plunger Material:

Any acceptable

Barrel Material:

Plastic

Scale Smallest Increment:

1.000 cubic centimeters

Capacity:

35.000 cubic centimeters

Barrel Tip Design:

Concentric

Special Features:

Sterile; individual package; disposable; packaged to permit aseptic delivery

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-b
