Bone Wire - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-263-7727

Overall Length:
9.000 inches
Diameter:
0.062 inches
Design Designation:
Kirschner
Tip Type:
Diamond
Material And Location:
Steel, corrosion resisting
Surface Treatment And Location:
Passivated
Features Provided:
Nonsterile
Product Name:
K-wire .062 inch
Special Features:
Diamond point at both end; use in fixation of bone fractures; compatible with nsn 6515-01-165-6694; meet astm standards
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
T133-c
