**Design Designation:**

Nasal and rae

**Shaft Eye Quantity:**

2

**Tip Type:**

Beveled

**Core Fabrication Method:**

Not woven

**Diameter:**

5.5 millimeters

**Material And Location:**

Plastic, thermoplastic

**Product Name:**

Tube tracheal e11 w/o cuff 5.5mm diameter plastic sterile disp 10s

**Special Features:**

Uncuffed; preformed curve; 19.5 cm from distal tip to center of bend; ethylene oxide gas sterilized; 10 ea per box

**Style Designator:**

Tracheal w/O cuff

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A22100
