Design Designation:

General purpose

Tip Type:

Luer slip

Plunger Material:

Plastic

Barrel Material:

Plastic

Scale Smallest Increment:

5.000 milliliters

Capacity:

50.000 milliliters and 60.000 milliliters

Barrel Tip Design:

Concentric

Special Features:

Disposable; sterile; pyrogen-free; without needle; individually sealed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-b
