Design Designation:

Exchanger

Tip Type:

Open end

Diameter:

6.0 millimeters

Material And Location:

Plastic, polyvinyl chloride tube

Special Features:

Size 4.0; small; ttx exchanger type; unit q type 10

Style Designator:

Tracheal w/O cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22100
