**Overall Length:**

1200.000 inches

**Sterility:**

Nonsterile

**Conductivity:**

Nonconductive

**Tubing Inside Diameter:**

5.0 millimeters

**Product Name:**

Suction tubing, non-sterile, 100'

**Special Features:**

Universal buble tubing to be cut the length needed forming either tapered (male) or funnel (female) integral connector; to fit most suction machines; clear; with bubbles every 36 in.

**Flexibility:**

Flexible

**Material:**

Plastic

**Material:**

Plastic

**Shape:**

Bulbous

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T117-a
