Overall Length:

1200.000 inches

Sterility:

Nonsterile

Conductivity:

Nonconductive

Tubing Inside Diameter:

5.0 millimeters

Product Name:

Suction tubing, non-sterile, 100'

Special Features:

Universal buble tubing to be cut the length needed forming either tapered (male) or funnel (female) integral connector; to fit most suction machines; clear; with bubbles every 36 in.

Flexibility:

Flexible

Material:

Plastic

Material:

Plastic

Shape:

Bulbous

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T117-a
