Overall Length:
1200.000 inches
Sterility:
Nonsterile
Conductivity:
Nonconductive
Tubing Inside Diameter:
5.0 millimeters
Product Name:
Suction tubing, non-sterile, 100'
Special Features:
Universal buble tubing to be cut the length needed forming either tapered (male) or funnel (female) integral connector; to fit most suction
machines; clear; with bubbles every 36 in.
Flexibility:
Flexible
Material:
Plastic
Material:
Plastic
Shape:
Bulbous
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
T117-a
