Overall Length:

72.000 inches

Overall Diameter:

5.0 millimeters

End Type:

Female connector

Product Name:

Tube connecting surg apparatus 72" I 5mm diameter nonconductive 50s

Special Features:

Non-conductive; clear; sterile; individually packaged

Material:

Plastic, polyvinyl chloride

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T117-a
