Component And Quantity:

Needle cannula 1; ekg adapter 1; 1.5cc dimpled syringe 1

Catheter Material:

Steel, corrosion resisting

Catheter French Size:

5

Catheterlength:

120.0 millimeters

Product Name:

Catheter kit bipolar pacing 120mm intro set r heart curve crs 5s

Special Features:

Introducer set; non-pyrogenic; balloon flow assisted; bipolar electrode; right heart curve

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T107-a
