Design Designation:

Angiographic

Tip Type:

Luer lock

Tip Material:

Plastic

Scale Type:

Any acceptable

Plunger Material:

Plastic

Barrel Material:

Plastic

Capacity:

130.000 cubic centimeters

Barrel Tip Design:

Concentric

Special Features:

Sterile; disposable; individual package; w/quick fill tube

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-b
