Product Name:

Cell oxygen monitor disp do not autoclave pasteurize or gas ster

Special Features:

Ec/o an electrolyte (potassium hydroxide), a cathode and an anode container within permeable membrane; do not autoclave, pasteurize or gas sterilize; disposable; used w/hudson oxygen analyzer, p/n 5525

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-m
