Overall Length:

9.000 inches

Overall Diameter:

0.062 inches

Design Designation:

Kirschner

Tip Type:

Trocar point

Material And Location:

Steel, stainless

Surface Treatment And Location:

Passivated

Features Provided:

Nonsterile

Product Name:

Wire bone kirschner 9"lg .062"dia point style 1 sterile ss 6s

Special Features:

Use in fixation of bone fractures; compatible with nsn 6515-01-165-6694; meet astm standards

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T133-c
