End Application:

6515-01-266-7461

Product Name:

Sensor assembly air u/w 6515-01-266-7461 pump iv infusion

General Description:

C/o 4 terminal solder studs; air sensor housing; ir transistor op804; led xc-88pa; for use w/pump, iv infusion, model 1001a

Purchase Description Identification:

1bl86-663005

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
