Portability:

Portable

Product Name:

Oximeter pulse: 120/230v 50/60hz ac or battery operated

Special Features:

Ac battery powered; noninvasive; used to monitor saturation oxygen, pulse rate, saturated oxygen trend and relative pulse amplitude; includes adult digit sensor 1; 10 ft. Cable 1; 10 ft. Extension cable 1; saturated oxygen to partial pressure oxygen conversion chart 1; operating instructions and service manual 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-f
