Design Designation:

Concept

Material And Location:

Steel, corrosion resisting needle

Point Type:

Needle

Shanklength:

0.275 inches

Product Name:

Electrode coagulation concept design .275" shank lg ster disp50s

Special Features:

Sterile, disposable, used in electrosurgical procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-e
