Battery Voltage Rating In Volts:

1.5

Battery Type For Which Designed:

C

Err Default:

Err default

Product Name:

Handle laryngoscope 1.5 volt battery takes 2 c cell batteries

Exterior Container Weight:

5.00 pounds

Exterior Container Cubic Measure:

0.056 cubic feet

Exterior Container Quantity:

1

Special Features:

Bauman; lightweight; reusable; flexible; anodized alumium; capable of gas (eto) sterilization; fiberoptic design; intergral to handle.

6515-01-268-0377 and 6515-01-268-0375; for alkalins c-sell battery; order 6135-00-985-7846; for use in endotracheal intubation

Unit Of Issue Cube:

0.056 cubic feet

Unit Of Issue Weight:

5.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
