Cautery Electrode - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6515-01-289-9844

Current Rating In Amps:
2.0
Material And Location:
Steel, stainless
Point Type:
Trocar pointed
Shanklength:
6.000 inches
Special Features:
Disposable; sterile; handswitching; insulated; water-resistant; unit q type 10
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Filg:
T133-e
