Unit Package Quantity:

10

Design Designation:

Magill and nasal and oral

Tip Type:

Open end

Diameter:

3.0 millimeters

Material And Location:

Plastic, polyvinyl chloride

Product Name:

Tube trach magill/nasal/oral e11 w/o cuff 3mm diameter plas ster 10s

Special Features:

Individually packaged; w/connector

Style Designator:

Tracheal w/0 cuff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22100
