Width:

54.0 millimeters

Length:

99.000 feet

Unit Package Quantity:

10

Unit Package Type:

Box

Emulsion Type:

Any acceptable

Perforation Feature:

Not included

Special Features:

2 channels; simultaneous documentation of up to 2 waveforms, max. 24 calculated values patient data

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-g
