**Overall Length:**

6.700 inches

**Design Designation:**

Hall

**Material And Location:**

Aluminum and steel, corrosion resisting

**Err Default:**

Err default

**Product Name:**

Drill bone hall 6.70"x3.20mm w/universal hose aluminum/crs

**Special Features:**

W/universal hose; used for drilling, tapping pinning, and driving screws in orthopedic procedures

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T133-e
