Overall Length:

6.700 inches

Design Designation:

Hall

Material And Location:

Aluminum and steel, corrosion resisting

Err Default:

Err default

Product Name:

Drill bone hall 6.70"x3.20mm w/universal hose aluminum/crs

Special Features:

W/universal hose; used for drilling, tapping pinning, and driving screws in orthopedic procedures

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-e
